WELCOME

TRY Australia was founded in 1883 with the spirit and ethos of William Mark Forster who believed in the innate ability of the young people who participated in the programs he established and constantly assured young people that if they were prepared to try they would be amazed at what they could accomplish. 'In fact' he told them: 'we should consider ourselves a 'TRY Society'.

Initially, TRY Australia developed youth clubs and provided trade training as a constructive answer to the juvenile delinquency problems of that time. Since then, TRY Australia has broadened its reach and developed programs to meet the ever changing needs of disadvantaged young people and their families who live in Victoria.

Today, TRY Learning delivers training in the areas of early childhood education and care, business, at certificate III and diploma levels.

TRY Learning is a registered training organisation initially registered in 2001 with Victorian Registration and Qualification and Authority (VRQA). In early 2014, TRY Learning transferred its registration from VRQA to Australian Skills Quality Authority (ASQA). As an RTO, we comply with the Vocational Education and Training (VET) Quality Framework (VQF) for RTO's. This compliance ensures that we deliver a high standard of education, and that the policies and processes supporting our courses are equitable, practical and current.

We are based in Mt. Waverley and specialise in the delivery of training for Early Childhood Education and Care, along with First Aid, CPR, anaphylaxis and Asthma Management courses.

We currently deliver following qualifications/ courses:

OUR OBLIGATION AS YOUR RTO

As a Registered Training Organisation (RTO) registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of the nationally recognised training and assessment we deliver. We must comply at all times with the Standards for RTOs 2015 which are part of the VET Quality Framework. To ensure compliance we have developed comprehensive internal policies, procedures and systems that guide our compliant operations

and we must participate in audits with ASQA upon their request. In addition, we must ensure that any third parties that we work with who have any involvement in your training and assessment comply as well. This includes our training partners, marketing brokers and sales people where applicable.

As the RTO we have the responsibility to issue your AQF certification documents in line with our issuance policy as outlined in this Handbook.

If at any time you feel we have not met our obligations as an RTO, you have the right to make a complaint following our Complaints and Appeals Policy outlined further on in this Handbook.

SELECTION AND ENROLMENT

TRY Learning accepts applications from all candidates who meet the entry requirements published in the course information. Applications are accepted on a first come, first served basis but if a course is full, you will be offered a place in a course starting at a later date.

To apply to enrol in a course, you must complete Enrolment Form/Application Form etc. TRY Learning accepts applications through its online enrolment process for selected courses only. You will be provided with an online enrolment link in the email that you can use to submit your application. If you are applying for a course that has entry requirements you will also need to provide the necessary evidence (as indicated on the Course Outline) such as verified copies of qualifications, CV, working with children check, police check or other evidence.

If you are applying for Credit Transfer, you should indicate this on your enrolment and supply certified copies of your transcripts so we can assess your application for Credit. See the section on Credits in this Handbook below.

You will be contacted within 10 business days to let you know the status of your application/enrolment and to confirm your details.

As part of the entry requirements you may be required to attend an interview and undertake a Language Literacy and Numeracy (LLN) test. Details of the interview and LLN assessment will be provided at this stage.

Upon approval of your application/enrolment, you will be sent further information about the next steps, payment arrangements and how you can get started in your course.

UNIQUE STUDENT IDENTIFIER (USI)

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means that as a student you must provide us with your USI.

To create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

NOTE: We are unable to enroll student, issue a qualification or a statement of attainment unless we have a valid USI.

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

TRY Learning can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form and submit it as part of your enrolment/application so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Note: We allow maximum 2 weeks from the date of your enrolment/application, for Credit Application documents to be provided.

Make sure you attach certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

TRY Learning has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option.

NOTE: You should ideally apply for RPL at the time of enrolment but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised of these fees upon contacting us.

For more information about submitting an application for RPL, contact the head office.

COURSE LOCATIONS

Our courses are delivered at various locations throughout Melbourne. Please contact us to find out a training venue close to your home.

COURSE INDUCTION

At the start of your course will be provided with an induction. The induction will provide you with specific details about your course requirements, important dates and will be an opportunity to meet your trainer and the other students in your course. You will also have an opportunity to know about course assessment requirements, complaints and appeals process and any reassessment processes.

The induction will also provide you with important information about health and safety requirements including emergency evacuation procedures and incident reporting (see section in this handbook on health and safety), as well as a range of other important matters relating to your rights and responsibilities as a student.

The induction also provides an opportunity for you to ask any questions you might have about studying with us. During this induction, we also make sure that we have all the required forms and paperwork filled in.

At your induction you will receive your first set of learning materials so that you can start on your learning journey.

General housekeeping arrangements are also discussed as stated in the section below.

COURSE EXPECTATIONS AND REQUIREMENTS

The training and assessment offered by TRY Learning focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency based training and assessment. Each of the components of your course is a “unit of competency”. You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Many of our courses are delivered in clusters. This means groups of similar units have been packaged together and to avoid repetition. You will receive training and assessment for all units in a cluster at the same time.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally our courses involve classes, workplace component, homework and online learning.

Assessment methods vary from course to course but usually include written questions, projects, portfolios and practical observations.

ATTENDANCE AND HOMEWORK REQUIREMENTS

If you are enrolled in a class-based course, it is an expectation that you attend every class so as to not fall behind. Generally there is a minimum of 80% attendance requirement for each cluster for the duration of the course. You must attend all the scheduled classes. If you miss any class (due to genuine reasons), you may attend the same class at some other times with a different group and trainer. You need to organise this with your trainer. It is also your responsibility to organise with your trainer the collection of the paperwork and information you missed. You may be required to pay fee for the extra class. Please notify your trainer at least 1 day prior to class if you are unable to attend for some reason. Medical certificate will be required for the absences made.

There will also be an expectation that you complete a certain amount of homework each week in order to finish learning and assessment tasks required for completion of your course. Your trainer will guide you on what to do during this time and how much is expected. This is also outlined on the Course Outline and in your Time Table.

WORK PLACEMENT ARRANGEMENTS

Some of our courses require certain hours of work placement. You will be required to attend a workplace to complete workplace learning and assessment component of the courses. You must attend all scheduled days at the workplace, unless genuine reasons (medical certificate required). You must notify your workplace supervisor about your absence from the workplace.

It is students' responsibilities to find their own work placement prior to the completion of their first cluster. However, the TRY Learning Training Co-ordinator will provide guidance and support as needed.

Students will have to sign a **Practical Placement Agreement** with their employer/host employer and return a copy to their trainer within one month of commencing the course.

NOTE: A new Practical Placement Agreement needs to be filled, signed and provided to us in case you change your host employer.

These documents will be filed in individual student file.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet. You will receive a copy of your assessment cover sheet as a receipt of your work submission.

Should you choose to type your written assessments you will need to:

Type the cluster name and units of competency on the header of each page of your work.

Type your full name, student ID and page number on the footer of each page of your work.

Assessments can be submitted directly to the trainer/assessor as advised by your trainer and assessor during induction.

NOTE: You must keep a copy of all tasks that you submit.

We are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing in the post or email submission. If this occurs, you will be asked to re-submit the work.

Written work will be marked within 30 days of receipt. Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet. In some cases, result/outcome may not be readily available, as some assessments are randomly selected for moderation/validation and results may be withheld until any mandatory quality control processes are completed.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 2 further attempts to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the third attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee as identified in the fees and charges information.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

COURSE PROGRESS POLICY

1. TRY Learning must systematically monitor students course progress and contact students who are not maintaining a satisfactory course progress to find out the reasons, so that training can be tailored according to individual needs, and provide support services to students, where needed.
2. The Training Plan signed by the student and the trainer at the commencement of the training program must be followed in conjunction with the class timetable. Should the

student's training needs change, the Training Plan will be altered to suit the individual's needs while in line with the training package requirements.

3. If a student fails to submit all assessment tasks for a unit/cluster, as per their training plan, they need to inform their trainer about the reason and ask for an extension. If the student does not provide the trainer a reason regarding their overdue assessment, the trainer will contact the student to find out the reason and will provide support services, if required. Where support has been provided and student is not willing to improve, and student does not submit assessment tasks by the extended due date provided by the trainer/assessor, this will be regarded as inappropriate conduct and TRY Learning may suspend or cancel their enrolment in that specific unit/cluster. In this case TRY Learning will finalise unit/cluster assessment outcome based on assessment evidence submitted, if any.
4. If a student fails to submit required assessment tasks after two (2) weeks of assessment due date or extended due date; then TRY Learning must notify the student in writing of its intention to cancel their enrolment in that unit/cluster. If the student does not submit satisfactory assessments for two (2) consecutive clusters and does not improve even after support services, then their enrolment in the qualification may be cancelled. TRY Learning must notify students in writing of its intention to cancel their enrolment in the qualification.
5. The student must be informed they have seven (7) working days from the date of notification (i.e. Letter, email or phone call) to appeal to TRY Learning, using TRY Learning Complaints and Appeals Form which is available on the website or from the Training Coordinator/relevant trainer.

The student may appeal on the following grounds:

- TRY Learning has failed to record or calculate a student's marks satisfactorily.
 - Compassionate or compelling circumstances.
 - TRY Learning has not provided sufficient support to the students in completing their unit of competency.
6. Where the student's appeal is successful, TRY Learning will not cancel the student enrolment.
 7. Where the student has chosen not to access the complaints and appeals processes within the seven (7) working day period, withdraws from the process, or the process is completed and results in a decision supporting TRY Learning, TRY Learning must cancel student enrolment.
 8. TRY Learning will maintain the student's enrolment while the appeals process is ongoing.

STUDENT PLAGIARISM, CHEATING AND COLLUSION

TRY Learning has a no tolerance policy for plagiarism, cheating and collusion. Students are expected to act with integrity at all times and only submit work that is their own or that has been appropriately referenced and includes acknowledgements of all resource materials used in the preparing the work.

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated or plagiarised the work or colluded with any other student/s.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If you are found to have plagiarised, cheated or colluded, we will be required to take disciplinary action which is likely to require you to complete the assessment again.

Definitions:

Plagiarism is the act of using another person's ideas or work and pretend that it is your own. (Cambridge Dictionary).

Plagiarism includes:

- *Copying sentences, paragraphs from articles, books, web pages, fact sheets, lectures, reports, etc. that are made by other persons, without acknowledging/referring the source of information.*

As a student you also have a responsibility to follow instructions and rules and to behave in ways that are safe and do not endanger the health and safety of others. Always ensure that you:

- Immediately report hazards to your trainer/assessor.

TRY Learning is committed to providing all people with an environment free from all forms of harassment, victimisation and bullying. TRY Learning will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes, ignoring someone, etc.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social or psychological abuse by a staff member or student. Bullying falls under health and safety legislation.

If you at any time feel that you are being harassed, victimised or bullied by a staff member or student, you should follow these steps.

If you feel that you are being harassed, victimised or bullied, ideally you should tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per TRY Learning Complaints and Appeals procedure and detailed in this Handbook.

Equal opportunity

The principles and practices adopted by TRY Learning aim to ensure, that current and prospective students, clients and other stakeholders are treated fairly and equitably in their dealings with TRY Learning.

All people will be treated courteously and expeditiously throughout the process of enquiry, selection and enrolment and throughout their participation in a course.

TRY Learning provides equity in access to the level of training and support required by each student. All students are supported in a manner that enables them to achieve their full potential and success in their training outcomes. All students are provided with opportunities to develop and successfully gain skills, knowledge and experience through education and training.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

Student Identifiers Act 2014

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification of a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>
