<p>Training Arrangements</p>	<p>A training plan will be prepared for every student with an approximate start and end date of unit/cluster delivery and an estimated assessment due date. Trainer will adopt consultative approach with the student and workplace supervisor in preparing the training plan. Workplace visits will be conducted in agreement with student and workplace supervisor as per student's training plan. Trainer/assessor will visit the student in their workplace once every month to deliver training in a minimum 3 hours face-to-face session. In addition to face-to-face training sessions, workplace assessment (assessment of required skills) will be conducted during a separate 3 hours visit.</p> <p>Students will be required to undertake self-directed study (research, reading textbook) and completing assessments for approximately 8-12 hours per week and approximately 8- 12 hours per week for Portfolio development.</p> <p>The observations will be recorded on the observation checklists for the relevant cluster. The observation will also form the basis of discussion for the new topic/unit or cluster. Trainer will provide training support materials to the student i.e. unit learner guide, handouts, power point slides or any other fact sheets either hard or digital copy as per student's preference. Students will also have the opportunity to ask questions about the assessments, show portfolios and get guidance on any learning and assessment activities.</p> <p>Trainers/assessors will be required to obtain verification of the face-to-face workplace visits by acquiring the dated signatures of the workplace supervisor and trainees.</p> <p>Students will be required to provide evidence of their employment, clearly stating their responsibilities/duties, the number of hours they directly work with children, the age and the number of children in their care (Eg. Position Description, Letter from Employer, CV).</p> <p>Students will be inducted about their rights and obligations during an induction session prior to the commencement of any formal training.</p>
<p>Additional Support</p>	<p>In accordance with the <i>Standards for RTOs 2015</i>, at a minimum, support should include:</p> <ul style="list-style-type: none"> - Identifying particular requirements (such as literacy, numeracy, English language or physical capabilities) learners would need to complete each course, and - Developing strategies to make support available where gaps are identified. <p>This may include, but not limited to providing:</p> <ul style="list-style-type: none"> - Language, Literacy & Numeracy (LLN) support

	<ul style="list-style-type: none"> - Assistive technology - Additional tutorials, and/or - Other mechanisms, such as assistance in using technology for research, reports, use of digital/electronic learning resources -
Assessment Arrangements	<p>Assessment will be conducted by a qualified assessor who meets the requirements specified under the Standards for RTOs 2015. Assessment is structured throughout the course. Students will be provided with feedback where needed to improve their knowledge and skills. Assessments are conducted holistically, where similar units are clustered together. This approach provides an opportunity to the assessor to assess the students on different subjects/topics at the same time.</p> <p>A range of assessment methods are used to assess student’s competency in the subjects:</p> <ul style="list-style-type: none"> - Written Questions - Case Studies - Scenarios - Practical Activities - Research Reports - Portfolios - Assessor’s Observation <p><u>Credit Transfer</u></p> <p>If students have previous qualifications in children’s services may be entitled for credit transfer for some units. Please provide us a copy of your previous qualification to determine if you are eligible for any credit.</p> <p><u>Recognition of Prior Learning (RPL)</u></p> <p>If you are working in the industry for over 5 years and you believe that you have skills and knowledge that you want to be assessed against the course, then you can apply for RPL and we will estimate your skills/knowledge to see if you can be granted any recognition for your experience. Please contact us to know the process involved.</p>
Workplace Requirements	<p>Students must be supervised at all times by a diploma qualified educator that will provide consistent mentoring and feedback on student’s work performance. Workplace supervisors will be inducted about their responsibilities before student starts the course. A supervisor handbook will be provided as a guide for them. Supervisors will mainly be responsible for mentoring the student at the workplace, making sure that student receives the feedback on their activities and the log of structured training withdrawal is up to date.</p> <p>Students must have access to working with all age group children, from 0 to 6 years old, throughout the length of the course.</p> <p>Trainer/Assessor will evaluate the workplace suitability to training requirements by using the Workplace checklist</p> <p>Work placement visits will be arranged in agreement with student and workplace supervisor as per group Timetable provided to students and workplace supervisors at course commencement.</p> <p>Regulated early childhood education and care service accepted are long day care centers (childcares), Kindergartens.</p>
